Aluminum Railing

Fortifying aluminum railing

Fortress Al[13] is an innovative, first of its kind, fully pre-welded aluminum railing system. Distinctly different from aluminum kits, Fortress Al[13] is attractive and easy to install with its simple bracket system. It also has superior performance in strength and safety, which is a unique benefit to a pre-welded system. Quality welding and DuPont® premium powder coating create a virtually maintenance free system designed for use in a variety of environments. Fortress Al[13] is available in 2 premium finishes: White and Gloss Black.
